Re: Collins v. Lippman, et al.,
04 CV 3215 (FB) (LB)

Dear Ms. Gharthey:

After further consideration of my suit in the above referenced action, as well as Judge Bloom's observations, I write to respectfully request a stipulation for dismissal of this action. Enclosed please find the original stipulation, which I executed on October 4, 2005.

This stipulation of dismissal is limited to my suit in the above referenced action. As we have yet to proceed with discovery, I thought it would be best to seek dismissal at this time. Please execute the stipulation and file it with the court (or return it to me for filing).

I thank you for your time and ask that you please write me back regarding this matter.

Respectfully,

Jabbar Collins
